An investor should consider the investment objectives, risks, and charges and expenses associated with municipal fund securities before investing. This, and other important information, is contained in the fund prospectuses and the Bright Directions Program Disclosure Statement (issuer's official statement), which can be obtained from a financial professional and on BrightDirections.com and should be read carefully before investing. You can lose money by investing in a portfolio. Each of the portfolios involves investment risks, which are described in the Program Disclosure Statement.

An investor should consider, before investing, whether the investor's or designated beneficiary's home state offers any state tax or other benefits that are only available for investments in such state's 529 plan. Investors should consult a tax advisor.

Individuals who file individual Illinois state income tax returns can deduct up to \$10,000 per tax year (\$20,000 if filing jointly) for their total, combined contributions to the Bright Directions College Savings Program, the Bright Start College Savings Program, and Collegellinois! during that tax year. The \$10,000 (individual) and \$20,000 (joint) limit on deductions will apply to total contributions made without regard to whether the contributions are made to a single account or more than one account. The amount of any deduction previously taken for Illinois income tax purposes is subject to recapture in the event an Account Owner takes a Nonqualified Withdrawal from an Account or if such assets are rolled over to a non-Illinois 529 plan.

Qualified higher education expenses include tuition, fees, books, supplies, and equipment required for enrollment or attendance; certain room and board expenses incurred by students who are enrolled at least half-time; the purchase of computer or peripheral equipment, computer software, or Internet access and related services, if used primarily by the beneficiary during any of the years the beneficiary is enrolled at an eligible educational institution; and certain expenses for special needs services needed by a special needs beneficiary.
